We Remain Open As An Essential Business

At Murrieta Auto Collision, the safety and health of every guest, visitor and customer is our highest priority. Guidance and recommendations from the CDC and local public health officials will be strictly followed as we adjust in these very tough times.

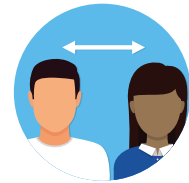

At Murrieta Auto Collision, we're taking a wide-range of actions to ensure your safety and ours.

Our location is thoroughly cleaned and disinfected throughout the day

You will not be greeted with a handshake, but with a warm "Hello, and welcome to Murrieta Auto Collision"

We are taking all CDC and public health guidelines seriously

For your convenience, we offer FREE estimates by text, email, or Facetime. You can email us at info@murrietaautocollision.com or text us at (951) 219-4252.

Please provide pictures, VIN#, name and email and we will send you an estimate by email.

CURBSIDE CONCIERGE SERVICE

When you arrive, park anywhere in our lot or on the curb.

From the comfort of your own vehicle, simply call our shop. We'll meet you at your car.

When picking up your vehicle, we'll park your vehicle in front so you can inspect the repairs.

Once you have inspected your vehicle, give us a call from your car and we can take your payment over the phone. We can email you an invoice or leave it in your car along with your keys. Your vehicle will be disinfected twice: once at drop-off and again at pick-up. We're paying particular attention to buttons, levers, knobs and high-touch surfaces.

FREE ESTIMATES!
